The University of Aberdeen and Robert Gordon University in the city have a collective population of around 27,000 full-time students. East Tullos is a well established commercial location, with a number of national and local businesses located there. Immediately opposite the property is a major plant for Pelagia. The property is situated on the eastern side of Greenwell Place, close to its junction with Greenwell Road and to Wellington Road, the main road leading south from Aberdeen city centre.

Tenure

Leasehold. Long Leasehold. Held on a ground lease from John Wood Group (Aberdeen) Limited for 99 years from 1st July 1977. The passing rental is £36,900 per annum, payable twice yearly with the next rent review on 30th June 2027 and five yearly thereafter.

Description

The property comprises two interconnecting workshop buildings, with attached two storey office accommodation. There is a secure yard and car parking on a site which extends to approximately 0.938 Ha/2.32 acres. The workshop is of steel portal frame construction with roller doors to the front and rear of the building. There is a 10 tonne overhead gantry crane travelling the full length of the main workshop with additional storage/workshop space in an interlinked two storey building. The adjacent two storey offices are predominantly open plan with an element of cellular space. A surfaced road provides vehicle access to the rear yard and to a further elevated yard to the south of the subjects.
